WHY INVEST?

Investment Thesis

01 Premium & Rare Location

Located just 200m from W Beach and 270m from Bo Phut Beach. The absolute rarity of prime available land so close to the shore ensures continuous capital appreciation.

02 Optimal Rental Performance

The refined architectural design and private pools highly attract affluent holiday seekers, maximizing high-season occupancy rates and premium nightly pricing.

03 Extremely Low Fixed Charges

An exceptionally competitive average land leasehold cost of ~9,300 THB/month over 30 years, protecting and securing your net margins predictably.

04 Booming Koh Samui Market

Koh Samui is rapidly establishing itself as the ultimate luxury island destination in Thailand, driven by ever-expanding direct international flights.
